 ANAHEIM, CALIFORNIA, 92806 USA  
 tel 1-714-528-0066  
 fax 1-714-528-0067

Prices / product specifications may be subject to change at anytime.  
 Items listed as "in test" are in current works and expected for release shortly.  
 Each stage upgrade is a bolt on kit. To purchase a stage 3, the customer must have a stage 1 and 2.  
  
 To upgrade from one stage to the next and maintain the 3 year warranty, the supercharger unit must be returned to Vortech Engineering for the SC pulley to be replaced and a new security seal to be applied. Shipping costs are added. If you change your supercharger pulley yourself, the standard 12 month warranty applies.  
  
 Prices are in US DOLLARS and do not include any taxes, duties or shipping and handling. Minimum s/h charge for any item is \$7.50  
 All sales are subject to VF-Engineering normal terms and conditions available on request and published on [www.vf-engineering.com](http://www.vf-engineering.com)  
 Delivery time is "not of the essence" and VF-Engineering is not liable for any subsequent or consequential losses.  
 No products are CARB certified. Certification testing is expected to commence in Dec 04.  
 Full terms and conditions of sales are available online at [www.vf-engineering.com](http://www.vf-engineering.com)  
 Full terms and conditions of warranty are available online at [www.vf-engineering.com](http://www.vf-engineering.com)

PAGES 2, 3 and 4 list all supercharger systems available. Note, the following options can be added to the order.  
If either of these options are not chosen the supercharger system is supplied with in a non-polished (satin) finish with 12 month warranty.

Option #	MSRP US\$	JOB (10%)	WD (20%)	PRODUCT
<b>W</b>	<b>150.00</b>	135.00	120.00	Supplemental warranty extension for non-polished supercharger units, increases warranty from one to three years.
<b>P</b>	<b>275.00</b>	247.50	220.00	Optional polished supercharger finish with 3-year extended warranty.
